Application materials are to be emailed as attachments to: Maggie Johnson, [Maggie@earthtonesnw.com](mailto:Maggie@earthtonesnw.com). Any person(s) writing recommendations may send a letter as an attachment or include their letter in the body of the email. Your application will be reviewed once all components listed below are completed in full and received by our office:

- This Horticultural Therapy Internship Application cover & instruction sheet
- A resume, highlighting professional, educational, clinical, and/or volunteer experience
- Completed short essays (250 words or less per question, see below)
- One example of academic written work, relevant to horticultural therapy (max. 5 pages)
- Two letters of recommendation, one from a relevant professional or academic supervisor
- Official academic transcript(s) from all colleges/universities/accredited HT programs attended

#### Short Essay Questions

1. Please tell us what makes you an excellent candidate for our internship.
2. What draws you to the Earthtones internship program?
3. Please describe an interpersonal nature experience that had a positive impact on your life.
4. How have you worked towards your own cultural awareness and responsiveness both in and out of horticultural therapy training?
5. What are your short and long-term career goals following the completion of your internship?
